Sir,

With reference to your letter No. 977/41 dated 10th August 1942, requesting to be informed whether there is any possibility of securing one hundred sweepers for the G.P.T. Coys at Harihar, I have the honour to enclose herewith copies of letters received from the Health Officers of Bangalore and Mysore Cities imforming that only 4 sweepers from Bangalore City and ten from the Mysore City Municipality are agreeable to go to Harihar provided they are given a pay of Rs 15/- per mensem.

Submission Note from the Health Officer, Bangalore City.
dated 14th August 1942.

Informations in all directions had been sent to secure as many as available scavengers for work. Yesterday 10 scavengers turned up to the office. When they were told they have to go to Harihar for work only four scavengers noted in the margin have agreed to go out for work. Enquiries were made among our scavengers if any of them are agreeable to go out for work. None of them volunteered. They said they are satisfied with what they are getting here. What they will be paid in Harihar is not noted in the Memo. If that is made known, some of them who have stood back may come forward and accept jobs if it is lucrative.

Letter No.H1. 234 dated 12th August 1942 from the Health Officer, Mysore City to the Director of Public Health in Mysore.

Referring to our conversation of yesterday on the phone, I wish to inform you that I also got a copy of the letter that has been written to you by the Chief Secretary regarding the entertainment of sweepers for the G.P.T. Coys at Harihar.

I got enquiries made in the Sweepers' Colony, Mysore and I find that most of the people are unwilling to go as far as Harihar. I have not informed them that they have to work in Military camps. There are about 10 scavengers who say that they are agreeable to go to Harihar provided, they are given Rs 15/- a month and the railway fare to the destination for them and their families.

I must mention however, that the scavengers here are absolutely nervous about anything connected with Military and I am afraid that there is every chance of these people running away from Harihar as soon as they come to know the place they will be posted to for work.
